## Buying at RMIT

### My Requisitions

Requisition	Date	Memo to Suppliers	Internal Memo	Status
<a href="#">RQ00011263</a>	09-11-2021	PO number must be shown in the invoice	<p>The purchase is required to ensure that our L&amp;T activities across multiple electronic engineering courses can be continued without issues. The current license package was purchased 3 years ago with the option to have standalone student license (which can be installed in student PC and allows them to use the software outside of RMIT lab). This standalone student license option will expire this year and its renewal requires the renewal of the ASL package.</p> <p>It's worth noting that in this purchase, the license type is upgraded from non-concurrent to concurrent (which means that any PC within RMIT network can run Multisim). We also requested to increase the number of seats in the standalone student license option to 500 to ensure that we can meet our growing enrollment number in 3 Engineering programs (EE, RM, and SE) in the next 3 years.</p> <p>Net value: USD 19,467.75 FCT-CIT: USD 2,163.08</p>	Successfully Completed

## Instructions

### Requisition Instruction

When raising a requisition to purchase goods or services please consider the following;

### Contracts

If your purchase relates to a contract, please selection the requisition option 'Request Non-Catalog Items' and select the contract when entering the details in the line items.

### Quotes

Please ensure that you attach the correct number of quotes for the value of your purchase. Each quote must be a separate attachment.

### Location

If your delivery location is not available, please complete the Add a New Location form via Property Services to request the location to be added and made available for selection.

## Select an Option

### Search Catalog

Click here to search the catalogue of preferred items and suppliers to add into the shopping cart

### Request Non-Catalog Items
